RE: Mining Notices UT056-91-5N and UT056-90-6N

Dear Mr. Lister

Pursuant to paragraph 2 of your letter May 1, 1991,
we intend to extend our operation through 1992.
Activities at the project have been shut down for the
winter, but we intend to start crushing operations in
the near future.

We are aware of environmental and recreational require-
ments and are planning our activities with those in
mind.

Sincerely,

Kelly R. Park
